As owner of the Games, **we, the Company, hereby authorise and allow you, the customer in possession of a legal copy of the game ("the Customer")**, to record, take, make, copy, use, replicate, compile, and/or publish photo and/or video footage recorded by you when playing the Games ("**the Works**") on and through social media sites, platforms and other media, including but not limited to YouTube or twitch.tv. No limit is imposed on the duration of footage used.

Any use of the Works, including use of the Works for the purposes of Video Game Content monetization, is **SUBJECT ALWAYS** to compliance with the following Terms and Conditions ("**the Conditions**").

1.2 that when posting the Works to any internet platform, social media or other site (for example YouTube) the Customer will comply with all rules and regulations applicable to the relevant social media site, platform and/or media (eg YouTube 'Fair Use', monetization, commercial use, and other policies);

1.3 that notwithstanding Clause 1.2 above, the Works are created, posted and used for educational and/or informative purposes only (within the meaning of YouTube 'Fair Use');

1.4 that this Licence is terminable forthwith at the option of the Company in the event of the abuse, misuse or inappropriate use of the Works (to be determined at the sole discretion of the Company) on any site, platform or in any media considered not in keeping with the original purpose and objectives of the Games and/or the nature and/or business interests of the Company;

1.5 that in the event that this Licence is terminated by the Company pursuant to Clause 1.4, the Customer shall upon receiving notice of or becoming aware of such termination immediately withdraw, remove and take down any such footage objected to by the Company;

1.6 that in the event that any such footage objected to by the Company pursuant to Clause 1.4 is posted or appears on a site not under the control of the Customer ("a Third Party Site") the Customer will take all reasonable steps to ensure, procure or facilitate the removal, withdrawal and taking down of the footage objected to (or any other footage) appearing on a Third Party Site which fails to meet with the approval of the Company;

1.7 any dispute arising under the terms of this Licence shall be determined in the first instance in the absolute discretion of the Company and in the case of continued disagreement by an Independent Arbitrator appointed or nominated by the Company;
